DETAILED ACTION

1. Amendment and response filed by applicants dated Oct. 25, 2004 have been entered and considered carefully.

Claims 11 and 13 have been canceled. Claims 1-10, 12, 14-24 are pending.

2. The rejection of claims 1-7, 10, 17, 22, 23 under the judicially created doctrine of obviousness type double patenting is maintained for reason of record.

Applicants' attempt to obviate the rejection by unexpected results can not be considered. Please note that unexpected result must be presented under oath i.e. 132 affidavit. The mere argument with numerical values without conclusive evidence under oath bears little probative value.

3. The rejections under 35 USC 112 first and second paragraph are dropped in view of the amendment.

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
